Cut your cake and spread the joy. It's a special day for you...and me because you're my sister. I love you, sis. Happy birthday.

Happy birthday, sis! When you were born, you became my sister. As the years have passed, you've become one of my best friends.

On your special day, let me wish you every sister like you deserves...lots of happiness, good luck, riches (in more ways than one) and, most importantly, love. In other words, an amazing life. That's what I wish

When you're with me, I can't help but feel better about everything. You bring out the best in me. Because you are the best. Everything you do, everything you say, everyone you touch makes the world a better place. I'm so glad you're

I always hear that if you  
have a sister in your life,  
you're the luckiest  
person in the world.  
That's because sisters  
make the world so much  
sweeter. It's true. I  
know because I have a  
sweet sister like you.  
Happy birthday to you!

Only the best sister  
birthday wishes to my  
lovely, little sis. I may  
be your big <brother,  
sister> but you have  
always inspired me to  
be a better person  
through your incredible  
wisdom and kindness.  
You have an old head  
and a young heart that  
can make any heart  
melt. You're the best  
little sister anywhere.

Thanks so much, sis.  
You have been a guide,

you play my favorite

my best friend. I wish
