

Eric Khumalo

IS 401, 2400 Durant Avenue, Berkeley CA94720
Cell: (510) 944 4782 – ekhumalo@berkeley.edu

Profile

I am Ndebele/Zulu speaker from Zimbabwe intending to major in Computer Science and Physics at. I have a passion for education and the use of technology to improve teaching in marginalized areas. In my spare time, I write poems which I publish in my website(ekhumalo.me/writings).

Leadership: Family responsibilities have transformed me into a parent-like figure as I played the triple role of father, brother and mother to my two younger teenage siblings for 4 years while mother and older siblings were abroad in search for greener pastures.

Achievements and Community Involvement

- ❑ UC Berkeley LeaderShape Class of 2016
- ❑ Accepted into USAP-United States Student Achievers Program
- ❑ Accepted into the MasterCard Foundation Scholarship Program
